

Tractor & Truck Pulling Rules

2019 Rules supersede any and all previous rules.

We welcome any and all ideas for next year as we move forward to make each year better and more successful from the year past.

GENERAL RULES

Minors must be accompanied by a parent or a guardian. Parent or guardian MUST sign the Release & Waiver of Liability Agreement on behalf of minor. No one younger than 12 years of age will be allowed to pull. Minors can only pull in Straight and Hot off the Farm Classes. • Registration for the class closes once the class has started. No additions can be made at that time. • Grace weight will be 200# in all classes except 15000# classes (500# grace) • Entries will be randomly assigned pulling positions • Tractor and Driver must weigh in before each class begins at our designated scale on the grounds. Tractors will also be required to reweigh anytime they return to pits from staging area before their class pulls. • Operator should know their tractor's weight and proper classes to pull in before registering. The classes were set up to allow a choice in Off the Farm classes. Any tractor pulling in Straight off the farm classes may not also pull in Hot off the farm classes and vice versa. • No dual wheels allowed on tractors • Pieces lost off the Tractor or Truck during the pull will be grounds for disqualification. • No weights hanging directly above the drawbar. Must have a 12" opening for hooking up to the sled. • No weight frame or weight can be extended 24" beyond front of the Tractor. No weight brackets shall extend beyond the outside of the rear wheels. Applies to Straight off the Farm only. (Factory Style) • Tractors will be disqualified if the front wheels are 24" or more above the ground from start to finish. This will be at flag man and Track Officials discretion. Front weight bracket and weights not to extend further than 11 ft from the center of the rear axle. • All pullers have one warning for speeding. Know your classes speed limit so you can avoid disqualification. • Drawbar height maximum will be 20" to the top of the hook point. • All pullers must furnish a 3" clevis fastened to the drawbar with 3/4" or larger bolt and nut or safety pin. • Any Tractor with a blower (internal or external) not naturally aspirated, will pull in the Turbo Classes • All tractors must be in neutral or park when being hooked or unhooked from sled. • All pullers must start with a tight chain and driver will be allowed two attempts (consecutive) to adjust speed in the first 100 feet of the pull • Tractor must remain within the boundaries of the track. Failure to do so will result in disqualification. • Alcohol may be used as a fuel in open classes only. Open class drivers will be required to wear a • Helmet and a full fire suit (jacket, pants, gloves and shoes). • All drivers must remain seated and must drive in a safe manner. • If track allows, a pull may be measured beyond 300 feet (floating finish). • In a pull off, puller is allowed one attempt to start the sled and make their pull. • When puller is pulling and before he or she starts to make their pull, they must have the green flag. Any puller starting on the red flag will be disqualified. • All drivers pull at their own risk. At registration all drivers must sign a Waiver of Liability • Only the puller is allowed on the Tractor just before, during and right after the pull is completed. • A 5mph speed limit is to be maintained in the pit area. Failure to follow this rule is grounds for immediate removal from the event and is at the Pull Officials Discretion. • Absolutely NO alcohol consumption is allowed by any participant until after the classes they are pulling in is complete. • Only one wristband per pulling vehicle will be issued. • Track officials have the right to move a puller to a different class. • In case of disqualification, a safety concern, or any other pull related issue **THE TRACK OFFICIALS DECISIONS ARE FINAL.**

* Entry fee will be \$25 for Straight Off the Farm classes. • Entry fee will be \$30 for Hot Off the Farm classes, and Street Legal trucks, Improved Farm, Unlimited Open, Super Farm and Unlimited Open trucks. •

The Glenwood City FFA Alumni and the Student Chapter along with the St. Croix County Fair, Inc. and its partners will not be responsible for injuries, claims, losses, or liabilities suffered or incurred by the participant/helper/spectator while on the St. Croix County fairgrounds at any time.
