

DEPT 5 – GOATS

Health Requirements

Animals must be healthy, free of symptoms or evidence of infectious or transmissible disease such as, but not limited to: internal and/or external parasites, ringworm lesions, pinkeye, or abscesses in any stage. In addition, all goats must be free of scabies, foot-rot, sore mouth, and diarrhea. Goats exhibiting such symptoms/conditions will not be permitted on the fairgrounds or at any 4H event. All goats will be inspected by the goat project leader or vet/vet assistant prior to or very soon after penning. Goats deemed unhealthy will be disqualified from show and sent home.

Goats originating from within Wisconsin: Sexually-intact goats of any age, and all other goats 12 months of age and older, must be identified with official scrapie ear tags or other official individual identification, such as a nationally recognized breed registry tattoo. Sexually intact goats exposed to scrapie will not be allowed to exhibit.

Goats originating from outside Wisconsin: All goats shall be accompanied by a certificate of veterinary inspection. All goats must be identified with official scrapie ear tags or other official individual identification. Goats exposed to scrapie will not be allowed to enter Wisconsin.

Goats originating from Modified Accredited states (Michigan) must have a permit number and require special tuberculosis testing. Exhibitors should contact the Division of Animal Health at 608-224-4874, well in advance of the fair or exhibition, to determine their testing requirements. All animals for exhibition from Modified Accredited states are required to return directly to the state origin after exhibition.

General Rules

1. In order to participate in the Showmanship Class and Carcass Evaluation Class the exhibitor needs to sign up on Blue Ribbon or the current online fair signup site.
2. Limit of 8 animals per exhibitor.
3. **3rd Graders** may exhibit one animal in the Showmanship Class and/or appropriate breeding stock class. The exhibitor must be able to control the animal. It is the responsibility of the exhibitor to follow St. Croix County Livestock Committee rules, clinic and health requirements for the department.
4. If animals are being fitted while on the fairgrounds all animals must be fitted by the exhibitor, immediate family, another Junior Exhibitor, or a St. Croix 4-H Project Leader. Immediate family is defined as the Exhibitor's parent, brother, sister, step-parent, or legal guardian. If project member does not abide by the rule, the animal is subject to disqualification and will be ineligible for auction or show per discretion of the St. Croix County Livestock Committee.
5. All goats must be checked in before penning on Thursday, the second day of the fair. No exceptions. All animals **MUST** present scrapie identification prior to penning. **All wethers will be weighed on Thursday of the fair.**
6. Any questions please contact a committee member as soon as possible.
7. If only one exhibitor is competing in any class, the judge may recommend any placing at his or her discretion. Judges will not place unworthy entries.
8. Bracing of goats is **allowed** with the understanding that the goat is not lifted or prompted to have the front feet leave the ground.
