ST. CROIX COUNTY FAIR

All that you need to know to exhibit at the 2022 Fair

Country Nights and Carnival Lights!

The county fair tradition is woven into the fabric of nearly every American community. It presents opportunities for young people to foster life skills such as communication, leadership, goal setting, work ethic, responsibility and sportsmanship. Community service and volunteer leadership are at the root of the success of the county fair. The electric atmosphere of the county fair stimulates cultivation of a vibrant community. People from throughout the area are drawn together for a common cause: showcasing the achievements of their citizens and promoting their youth. Individual talents are employed toward the success of the whole community. Families take time to learn together, sharing in life lessons and building new skills. Cross county relationships are developed, broadening perspectives and intermingling experience.

Long-time friendships are rekindled over new memories.

We hope you will join us at the 2022 St. Croix County Fair.

JUDGING AT THE FAIR

Judging is on July 20th 12:00 - 7:30

Judging times and locations for specific departments are listed below and in the Premium Book. Please expect some delays later in the day for conference judging on Saturday, July 16 and Wednesday, July 20. Plan your time so that you can get all your exhibits judged. If you are in line and it is getting close to the end of the judging time, let someone know that you have other exhibits to judge so we can make adjustments.

TYPES OF JUDGING

Conference Judging

Conference judging of certain fair projects is performed to help exhibitors learn the strengths and weaknesses of their project directly from the judge. They meet face-to-face with the judge, who learns more about the work the exhibitor put into the entry while the judge evaluates it. Exhibitors then receive a ribbon for the quality of the exhibit & knowledge of their project, as well as new information they can use to do better next year.

Danish Judging

The Danish system of judging provides more exhibitors a chance to receive a ribbon for their entries. Instead of placing only the best four exhibits and giving them a blue, red, white, or pink ribbon (like in Open Class) all entries are placed. All entries receive a premium and ribbon. The number of blue, red, white, and pink ribbons a judge hands out depends on the number of entries in the class. For example, if there are 8 entries in a class, up to 2 can receive a blue rating, up to 4 red ratings, up to 6 white ratings, and up to 8 pink ratings.

JUDGING AT THE FAIR

Judging is on July 20th 12:00 - 7:30

1. Get your exhibits judged

After obtaining your entry tags from the fair office, take your tagged exhibit to the designated area to get judged. Stand in the appropriate line and wait for your turn. When its your turn, you can get all of your projects in that department judged at the same time (you don't have to get back in line for each exhibit).

2. Talk to the judge

When talking to the judge introduce yourself (name, grade, and what club your in). Talk about your project. When the judge asks you a question about your project answer honestly. Please ask questions of the judge if you are not understanding.

3. Receive Feedback

If you've done your best work on your project, it's disappointing not to get the rating you were expecting. Just remember - the judge's opinion is simply one person's opinion. A different judge might have given you a different placing. But even if you don't agree with the judge, its worth paying attention to what he or she has to say about your project. You could get some great ideas for how to do better next time.

Here are some tips about feedback:

- Pay attention to what the judge liked instead of getting upset about what he or she didn't like. Even if there were some negative comments, there were probably just as many positive ones!
- Don't be nervous about face-to-face judging. The judge is truly interested in youth, otherwise he or she wouldn't be there. Relax so you can be your friendly, natural self when the judge meets with you. And if you don't understand something he or she says, be sure to say so.
- Think about how you can use the judge's feedback. What can you do differently if you intend to keep working on this kind of project? What will you want to do the same way?

4. Scan Exhibits

There are three locations where you can find a scanner station (4-H Building, Croix Court Tent, and Cloverbud Building). Once your items are judged take them to the scanner stations to get scanned and receive your ribbons.

5. Display Exhibits

Once your items are scanned and ribbons are attached take them to their designated display area. Please ask for assistance if you are unclear where to take your items.

There is NO early release of exhibits. All exhibits, animals, and decorations must stay in place until 4:00 on Sunday, July 24.
