

## Hosting the St. Croix County Fair Glenwood City, WI

Spring

Dear Commercial Exhibitor:

The St. Croix County Fair Association, Board of Directors is seeking businesses interested in a Commercial Exhibit. We are featuring a new and improved St. Croix County Fair.

The St. Croix County Fair Grounds are located in the picturesque, Western Wisconsin community of Glenwood City. The county fair is the only countywide community event held in St. Croix County. Each summer thousands of individuals and their families make the pilgrimage to the 57 hills in the Eastern area of St. Croix County to view the exhibits, to visit with old and new friends, and enjoy the traditional county fair atmosphere. It is our continuing effort to provide a wide variety of "Commercial Exhibits" for visitors to enjoy. We have a new outdoor commercial exhibit area, as well as our commercial building for indoor exhibits.

We would like a good selection of commercial exhibits and will give preference to individuals who can exhibit products or services that visitors to the St. Croix County Fair would consider special. Our new outdoor commercial area is fortunate to have large, open, level space for exhibits, with electricity available.

If you would be interested in a commercial exhibit at the St. Croix County Fair, and help us make this our best fair in St. Croix County history. Please call or e-mail us by April 1st, and we will send you the information you need to be an exhibitor at our newly improved St. Croix County Fair.

We encourage your comments and will be happy to answer any questions you may have. We can be contacted by phone 715-684-9060 or email [donahoe.rm@gmail.com](mailto:donahoe.rm@gmail.com).
